

Prior to your visit use the Pre-Visit Slideshow to introduce HMS Caroline and 5 Ws of the ship's history. This will set the scene for your class visit.

1. Ask the pupils what the 5 Ws are (who, what, where, when and why)
2. What kinds of information might we want to find out when we ask these questions?

Who? – i.e. who built HMS Caroline, who was on board HMS Caroline?

What?– i.e. what is HMS Caroline? What did the ship do?

After the Presentation

1. Ask the pupils to make a list of things they now know about HMS Caroline using the 5 Ws.
2. You may like to run a quick quiz:
 - When was HMS Caroline built?
 - How many people served on HMS Caroline?
 - How many ship's pets were there and what type of animals were they?
 - What was the famous First World War Battle called that HMS Caroline took part in?
3. Ask them what they are looking forward to seeing and to make a list of what they would like to find out when they visit HMS Caroline.
