FAQs

When is peak and off-peak season?

Off-peak rates apply mid-week or from October to March. Peak season runs from April to September.

How much is the deposit to secure the date and venue?

A 25% deposit is required upon signing the contract.

What is dry hire?

Dry hire means you hire HMS Warrior or Grand Magazine venue space only and arrange all additional services (such as catering, décor, and floristry) through our approved supplier list. This option allows for a fully bespoke wedding. Tables, chairs, and an Event Manager are included.

Can we use our own suppliers?

Due to the historic and delicate nature of our venues, we require all events to use our approved suppliers. They are specialists who understand the venue and its conservation needs.

Where can I find your approved supplier list?

Our approved and recommended supplier list is available on our website. It will also be shared when you enquire about hosting your wedding at one of our venues.

Can we decorate the ship ourselves?

For small, low-key decorative items, please discuss this with your Event Manager for approval. We recommend using our preferred décor specialists and florists.

Please note: helium balloons, confetti, dry ice, sparklers, and candles are not permitted. Battery-powered candles are welcome.

What if guests have dietary requirements?

For package weddings, we are happy to accommodate dietary requirements. Final guest numbers and menu choices must be confirmed at least two weeks before the wedding.

For dry hire weddings, dietary requirements should be discussed directly with your chosen caterer.

Do you offer a military discount?

Yes, a discount is available for current serving military personnel for dry hire weddings only. Military discounts do not apply to wedding packages.
