

Here is a pattern so that you can create your very own fishes at home. Maybe you could create a Seascape of your own!

**LITTLE FISH PATTERN**— Pattern created by Katrina Henderson from the **Art Stop Café** (Portsmouth)

This little fish is made using two pieces knitted the same. Sew the two pieces together leaving a small gap for stuffing.

You may like to add stripes to your fish or leave it plain to make the fish bigger or smaller you can alter the size of your needles and thickness of wool. Please make your fish as individual as you like; add fins, sequins, beads for the eyes and make as many of these little fellas as you like. Please do not make any of your fish larger than 15cm (6inches). Enjoy!!
