4.5 WWII: Life on Board

5 Post-war

6 Legacy

All proprietary goods and materials are to be fitted in accordance with manufacturers instructions and relevant Codes of Practice. All work to comply with relevant National Building Regulations. Notwithstanding all of the above, electrical work must comply with current I.E.E regulations or equivalent. The contractor will be held responsible for the structural integrity of all fittings and fixtures supplied.

Notes.
1. Dimensions must be checked by Contractor and setting out drawings based on site dimensions, must be approved by StudioMB prior to construction.
2. Any variations between stated dimensions and site dimensions should be reported to the designer prior to work being executed.
3. Samples of all finishes must be provided by Contractor for approval by StudioMB prior to construction.
